| <p>*Unfortunately, we did not have enough 7th grade players to make two teams, nor did we have parent volunteers for coaching. Because of this, we have decided to only have one 7th grade team. This was not what we were hoping for, but given the circumstances it is a necessary decision going forward for this year. We wish you luck in your middle school season and hope you continue to enjoy playing the game of basketball. Just because you did not make a team this year does not mean that you can't participate in the future.</p> | | | |

*We are still in need of coaches for the 8th grade Orange team. If we do not have any parent volunteers with significant basketball knowledge/coaching experience come forward by 10/12, we will have to cancel this team. The Rock is meant to help players learn more about the game and improve their skills; without having a coach who can help make this happen, we are defeating the purpose of this program. Please contact Michael Redell at mredell22@gmail.com if you are interested in coaching this team. Thank you!

*Info for all players/coaches-We are waiting to find out gym space for practices each week. As of now, we are struggling to get gym time as soon as we had previously thought. We have been told that we will have a better idea by October 16th what the schedule will be. Please be patience as this is now out of our control. We will look to make necessary changes next year if need be. Your coach will be contacting you in the next week to get jerseys figured out, update on cost for tournaments/Rock season, and any other questions you might have. Please contact your coach first with any questions, and Michael Redell second. Also, I will be the only person able to set up practices. Please keep your questions in house (coach, teammates, Michael Redell) Community Ed should not be fielding questions about practices/gym time. Thank you for your cooperation in this detail. We look forward to getting started and having a great Rock Season, Go Rams!
